QUICK-WIN TACTICS

- **The 1-page PDF test:** Build a one-page lead magnet first and see who downloads
- **"I made this for you" post:** Share your backstory + who it's for, with a CTA to buy
- **Free tier or "pay what you want"** to gather users and feedback
- **Bundle bonus:** Add a checklist, bonus video, or swipe file to increase perceived value

ACTION STEPS

- ☐ Outline your product with 3 main sections or components
- ☐ Create a teaser post and share it on one social channel
- ☐ Set up a Gumroad or LemonSqueezy page
- ☐ DM 10 people for feedback or early access buyers

THE 3-STEP LAUNCH

STEP 1: VALIDATE (\$0)

- Choose a niche problem or transformation you can deliver
- Post a teaser or value nugget on X/LinkedIn/Reddit
- Ask for feedback or pre-orders via email or DMs
- **Goal:** 10+ people say they want to buy

STEP 2: BUILD (≤\$200)

- Create your product: ebook, template, guide, course, etc.
- Use Canva or Kittl for design, Hemingway or ChatGPT for writing
- Host on Gumroad or LemonSqueezy with Stripe connected

STEP 3: LAUNCH (\$100–\$300)

- **Build hype:** share 5–7 value posts leading up to drop
- Send 2 launch emails to your waitlist or friends
- Offer a launch-only bonus or discount
- Share testimonials as they come in
